Notes

1. Please submit requests for ITV courses not included above to Dale Carrison.
2. Please submit ITV classes that your school district can provide to Dale Carrison.
3. ITV courses without times listed are negotiable for a specific time period. Courses with times listed may be able to be adjusted.

4. American Sign Language (ASL) is growing, and is the third most used language in the US. Please consider this language class for your school. ASL is now accepted by most colleges and universities to meet a language requirement.
5. Please note that Chinese Mandarin Language is an ITV language course. Other languages are also available. Chinese is a sought after skill in the business world and in the military services.
6. Please contact Dale Carrison (507-388-4264) with any questions about distance education.
7. Distance education classes are available from other regions in Minnesota, if a requested ITV class is not available in the SOCRATES region.
8. Courses needed by school districts for credit recovery and for reading, writing, math, and remedial study skills are usually available, including in the summer.
- 9.. Unless otherwise noted, all classes are \$800 per student per year for tuition and \$400 per semester. College classes for PSEO and concurrent enrollment are more than that amount, because of tuition variance at the host higher education institution. If appropriate and needed, school districts may share a teacher via ITV and/or in-person. and split the teacher cost among themselves in order to cover the teacher's salary for low enrollment courses.
10. The enrollments listed for full-year courses on the ITV schedule, version August 1, 2011, will be considered final for charging purposes. The enrollments listed for Second Semester courses on the December 8, 2011, ITV schedule will be considered final for charging purposes. However, students can be added to any class, when possible to add more students and/or receive sites, at any time.
11. Several higher education institutions including, but not limited to, SCSU, MSUM, SWSU, UMN, WSU, Riverland, and SCC, offer ITV AP and concurrent enrollment courses and/or staff development courses which are available to SOCRATES. Arrangements for these courses can be facilitated by SOCRATES.
12. Arrangements for staff development ITV courses for teachers for licensure and other purposes can be arranged and facilitated by SOCRATES.
13. Jerry Jansen (e-mail address jerry.jansen@mnwest.edu) does all coordination of PSEO at MN West. All college PSEO courses are \$125 per credit, plus the cost of a textbook. Textbook orders may be placed at MN West by contacting Karen Fury, Bookstore Manager, at 507-372-3414 (e-mail address karen.fury@mnwest.edu). AccuPlacer: Staff from MN West will work with the high school counselor or principal to use AccuPlacer. MN West will administer at the students' high school by a person designated by Minnesota West.
