This past year we were able to still accomplish a lot! We still had virtual presentations, mock interviews, a virtual career tour, a small career fair, and the Big Idea's Trailer.

Next Year...

We will be having more presenters, a career fair, field trips, and we are adding somethings as well! The 3 Event Series that we did in 2019 - 2020, and the Game of Life, we are also working on adding a CNA certification course, a First Responder course, and a CDL license course.
