The New Ulm Schools Career Technical Education (CTE) Center is a public-private partnership with the following goals:

- Career exposure to the skilled trades in the New Ulm area
- Opportunities for students to earn credentials in Welding, Manufacturing, Construction, Automotive/Auto body, Mechatronics/Robotics
- Work with local business/industry for student internships
- Programs for students and adults to receive training and future job placement or recertifications
The CTE Center is a 30,000 square foot industrial building complex that provides spaces for the following programs:

- Automotive Repair
- Auto Body Repair
- Construction Trades
- Cabinetry
- Eagle Enterprise - Student Business
- Manufacturing/Fabrication
- Machining/Milling
- Mechatronics/Robotics
- Small Gas Engines/ATV Repair
- Welding

New Ulm Schools would like to thank all of our partners for their support of our CTE Programs. A special thank you to the Ryberg Family for their generous donation of the CTE facility for our programs and for our students.
